

## **Stable View Social Distancing Guidelines in Response to COVID-19:**

### Staff/officials will:

- communicate via radio
- agree to a remote thermometer temperature check
- remain in cars whenever possible
- observe 6' distancing when interacting
- wear masks if interacting closely with riders, officials, other staff, etc.
- will be required to agree to all guidelines prior to the event

### Riders/Grooms will be:

- asked to agree to guidelines upon arrival (will receive in advance via email)
- asked to agree to a remote thermometer temperature check
- strongly encouraged to submit their entry online and in advance to limit paper exchange at the show office
- 6' distance when interacting with riders, volunteers, staff, or officials
- social distancing in the stabling area and adhering to one way traffic in the barns
- no rider lounges open (only restrooms which will have disinfectant wipes and hand sanitizer)
- asked to limit number of horses/riders in warm-up areas (volunteers will enforce)
- asked to sanitize warm-up jumps, restroom handles, etc. after they've touched these things. Wipes and sanitizer will be provided by Stable View

### Volunteers will:

- check in via a "drive thru"
- agree to a remote thermometer temperature check
- communicate via radio
- remain in their cars when possible
- 6' distancing when interacting
- be required to agree to all guidelines prior to event
- be provided with a pre-packaged lunch

### All/general guidelines:

- spectators strongly discouraged
- riders/trainers to remain confined to their groups when possible (at stalls, in warm up areas, etc)
- no food vendors on site
- ride times will be scheduled to best accommodate social distancing
- wipes and sanitizer available around the property
- no congregating
- anyone experiencing COVID-19 symptoms will be asked to go home
- consider employing extra medical staff on property
